

NATIONAL CLASS E-SCOW ASSOCIATION MEMBERSHIP FORM

Becoming a member of the National Class E-scow Association (NCESA) supports the NCESA in its purpose as stated in the NCESA Constitution. Among those is the management of class events, stewardship of trophies, control of yacht scantlings, and the general communication to a great community of E-scow sailors through publications, email distributions, and our Web site at E-scow.org. It is certainly true that *"The value of your boat depends on the success of your class.* Please choose one of the membership options below and become a member of the NCESA.

There are four membership categories, Active Owner, Regular, Associate, and Crew. The benefits are:

Active Owner (\$65): If you are a current owner of an E-Scow, you must join the NCESA in this membership category. Only boat owners are eligible and if you are a partner in a boat, only one partner shall be designated to join at this level. The NCESA will send you a boat sticker that is required by current scantling rules to be displayed on your E-Scow. *It is **important to note** that only boats with a current boat sticker are eligible to race in local club, regional, or national E-Scow events.* Members at this level are eligible to hold office, and vote on changes to class By Laws and Scantling Rules, and receive all class publications.

Regular/Skipper (\$50): A subscription to the NCESA REPORTER magazine & Digital Reaches news. Skippers, who are not Active Owners, must join at this membership level to qualify to skipper an E-Scow in the National regatta. Members in this level may also hold a Director position in the Association. Your membership supports class management and communication necessary to sustain and grow E-Scow organized racing across the country.

Associate (\$15): A subscription to the NCESA REPORTER magazine & Digital Reaches news. Your membership supports class management and communication necessary to sustain and grow E-Scow organized racing across the country.

Crew (\$0): Anyone who crews on an E-Scow that has a current boat sticker is eligible to join the association at this membership level.

Please note, membership is for a calendar year.

We would prefer that you pay with a credit card or PayPal, and this is easy to do. Please go to www.e-scow.org, click on the "Membership" tab, and follow the instructions. However, if that is not a good option for you, please complete this form and mail it in with your check.
