

GRANT APPLICATION

The NCESA, as a non-profit charitable organization, has established a Fund that is designed to support and promote E-Scow sailing. The assets of the Fund may be used to support the following goals and objectives of the NCESA:

Goals

- Annually expand membership and the number of E-scows racing
- Expand E-scow sailing at new lakes and new areas thru promotion, training, mentoring, coaching, and other methods
- Monitor and introduce new ideas that will enrich the E-scow sailing experience to sustain long term growth in the class
- Unite the membership in achieving the goals of the association by using the best media communication methods available
- Make the sport of E-Scow sailing family friendly by involving the spouse, children and friends in a fun environment
- Partner with efforts to protect the natural resources we need to enjoy our sport of sailing E-Scows

Objectives

- Exceed 70 boats at annual National Championship regattas
- Add an additional local fleet to each Region of the Association
- Achieve at least an 80% Regular membership of boats participating in local club racing events
- Sustain regional membership levels even when the National Championship regatta is not in their Region
- Educate, train, and coach sailors so they achieve better racing results than the previous year
- Experiment with new technology, equipment, and methods that will improve the E-Scow racing experience
- Create programs to support a family friendly environment for all E-Scow sailors
- Participate in programs to maintain clean waterways and launching facilities

Instructions

Please fill out the application by typing in the “grey” areas. Leave blanks where you are unsure of the answer. Send completed application to: Lon@e-scow.org

Prerequisite

The Grant request must come from a current member of the NCESA. In addition, to qualify for an NCESA Foundation grant, 80% of the active local E-fleet owners must be ‘Regular’ members of the NCESA. You can contact the NCESA Secretary (Lon@e-scow.org) for assistance in determining local fleet membership.
