

100th Year Kick-off Regatta

Sarasota

March 17-19, 2023

Don't Bury Your Boat in the Barn!!

For over 30 years, we have been racing E-Scows in Sarasota Florida, as the most southern E scow snowbird paradise, with warm waters, steady winds, and a most friendly Sarasota Sailing Squadron.

We are privileged to kick-off the 100th Anniversary of the E-Scow class at our One Design Mid-Winters on March 17-19, 2023. Come to Sarasota just prior to the Carolina Spring Regatta.

The fleet is offering free housing (it is the height of tourist season) and a few loaner E Scows to our snow-bound friends. Housing and loaner boats are first come, first serve.

Generally, we race informally every Wednesday afternoon from October to May. Some of us from up north moved here to race year-round. We can arrange storage off site and during the regatta.
